We deliver optimal individual- based care to our residents while maintaining their integrity and independence. Our assisted living program is the ideal solution for seniors who need additional help with daily activities, such as bathing, dressing, and medication reminders. We provide activities that promote interaction with residents and staff while enhancing physical and mental well being. At Refreshing Springs, we select staff who are dedicated to serving seniors. Our employees are well-trained and caring individuals who truly want to help. Our goal is to ensure that our residents are safe and comfortable in their home.
